

# FIRETECH™ FIBERGLASS STAND

Designed for use with our FGC26 fiberglass cabinet, it's the perfect solution for permanent dock protection or as a temporary installation when weighted with sand.

- 27 $\frac{1}{2}$ " high with a 15 $\frac{1}{2}$ " x 15 $\frac{1}{2}$ " base and 8 $\frac{1}{4}$ " x 11 $\frac{3}{4}$ " top surface
- Red finish (matches cabinet)
- Comes with mounting holes and hardware to attach the cabinet
- Accepts sand for temporary placement
- Pre-drilled base for permanent mounting

*NOTE: Cabinet and sand not included.*
