BECAUSE MINOR BURNS, CUTS AND SCRAPES
CAN HAPPEN ANY SECOND.

Cool Jel offers cooling, soothing relief for minor burns, cuts and scrapes, plus a protectant barrier to guard against contaminants and irritants that may delay healing.

Versatile and economical to use, Cool Jel comes packaged in unit-dose packets small enough to fit in a pocket. They are available in 6-pack boxes for small first aid kits, or in our handy 25-pack dispenser box for larger kits and first aid stations. Cool Jel is also available in a convenient 4 oz. squeeze bottle.
